FAX: (606) 464-5009

*The Lee County School District in partnership with students, parents, and the community,
shall assure an excellent education for each and every child.*

TO: Lee County School District Parents/Guardians
FROM: James Evans, Jr., Lee County School Superintendent
SUBJECT: Parent Portal
DATE: October 11, 2010

In a continued effort to keep parents informed and involved in their child's education, the Lee County School District has implemented the Parent Portal. The goal of the Parent Portal is to create a partnership and dialog between parents and teachers. We hope that you will use it regularly and become a partner with us in your child's education.

The Lee County Public School District's Parent Portal is a secure Web site that you can use to monitor your child's grades and attendance. Because the information you have access to is confidential, you must be a legal parent/guardian and will be required to sign a confidentiality agreement at your child's school before you can gain access to the Parent Portal. Please contact the school to schedule an appointment for completing the confidentiality agreement. At that time, you will be given an access key and documentation on how to use the portal. Documents to assist you with using or setting up your account in the Portal may also be found under the Parent Resources link on the district web page at www.lee.kyschools.us

For more information, please contact your child's school.
