

LEE COUNTY SCHOOLS TRANSPORTATION APPLICATION FOR EMPLOYMENT

District Mission Statement

The Lee County School District in partnership with students, parents, and the community shall assure an excellent education for each and every child.

The Lee County Board of Education does not discriminate on the basis of race, color, national origin, age, religion, marital status, sex, or handicap in employment programs, educational programs, vocational programs or activities. The school district shall require a driver applicant to submit to a controlled substance and alcohol testing as a prequalification requirement during the screening process. Pre-employment testing applies to individuals whom the school district may hire or use, on a permanent, temporary, or voluntary basis, as commercial motor vehicle drivers. For employment involving contact with minors, state law requires a criminal record check as a condition of employment.
