LEE COUNTY SCHOOL DISTRICT ANNOUNCES STOP! TIPLINE ... REPORT BULLYING "ONLINE"

Safety is our first priority. In an effort to use every available resource to STOP bullying and other risky behaviors in our schools, Lee County School District proudly announces the implementation of the "Safety Tipline Online Prevention" or STOP! Tipline. The STOP! Tipline is designed for use as an "online" reporting/prevention tool which is provided free by the Kentucky Center for School Safety. If students, parents or community members know of an unsafe situation in school (bullying, weapons, drugs or alcohol, etc.), they can anonymously pass on that information to school personnel by using this basic email format.

"Our hope is that, students who fear face-to-face reporting of bullying or other safety issues may be less reluctant to share this vital information when offered an "online" option," says Superintendent Jim Evans. By giving students the ability to report concerns over their tablets, computers or mobile phones, we can reach more students and address problems before they escalate."

The process for using the tip line involves locating the STOP Tipline logo on the Lee County School District website at www.lee@kyschools.us Simply click on the Downloads & Links tab at the top right of the district home page. You will see the STOP Tipline logo in the right-hand column. Clicking on the logo gives you direct access to the tipline. This logo may also be found in the same location on each school web page. School pages may be accessed

directly from the district home page by clicking on the preferred school name in the upper section of the left-hand column.

Immediately, students or community members can anonymously report bullying, cyber-bullying, violence, risky behavior or other safety concerns to school personnel by using a basic email format. Tips can be left

anonymously or students may choose to have someone contact them. More information can be found about the tip line at www.kycss.org/stop/about.php

The announcement of the STOP! Tipline comes on the heels of Kentucky Safe School Week and it aligns with this year's theme "Safety Teamwork Opportunity Power!; STOP! Bullying, Violence and Risky Behavior in our Schools! www.kysafeschools.org

"This tip line is just another powerful tool in our arsenal against bullying, harassment and other unsafe behaviors in our schools. Our Comprehensive Safe School Plan is ever evolving to keep our students and staff safe and we are using every resource available to do so," says Superintendent Jim Evans.
