

Free online parenting class **"Preparing Your Child for School"**

Lee County Schools is providing parents free access to this online video class. If you are the parent or guardian of a child who will attend Lee County Elementary School, you may access the class for free.

Visit www.bluegrasslearning.com/leeky to learn:

- ◆ What your child needs to know *before* Kindergarten
- ◆ Why those skills are important to your child's success in school
- ◆ Simple activities you can do at home to teach your child these skills

You will be able to watch 23 video lessons to learn all about kindergarten readiness. Topics include: math, literacy, social development, physical development, language development, and academic and cognitive development

Visit www.bluegrasslearning.com/leeky to sign up. It's free!
